

Riddle:

In this photo scavenger hunt at Alpha Ridge Park, you will be searching for locations featured in mysterious photos in order to find and solve the secret riddle.

How to Play Pix in Parks: Alpha Ridge Park

1. Print out or access the game sheet and game map from your computer or phone by visiting www.howardcountymd.gov/pixinparks.
2. Bring the checklist, map, and a pen/pencil with you when you begin your hunt for the zoomed in pictures throughout the park.
3. Travel to Alpha Ridge Park (11685 Old Frederick Road, Marriottsville, MD 21104). There is plenty of free parking.
4. Try to find the items shown in the pictures on the game sheet by walking the paved paths throughout the park. When you find the item, there will be a riddle or one of the letters that spell out the answer on a game sign nearby. It will have the Pix in Parks logo on it.
5. Write down the riddle and letters on the game sheet as you find them. If you are having trouble finding these tricky spots, you can use the game map and answer sheet to help you.
6. Once you have found the riddle and all of the letters, you will have your answer!
7. Visit www.howardcountymd.gov/pixinparks to enter your answer and to find out if you got it right.
8. Each submission will count as an entry into our weekly prize drawing.
9. Check our Facebook page every Monday to see if you've won!
10. COVID Precautions: Please wear masks at all times, bring hand sanitizer, practice physical distancing and wash hands when able.
